Whitey,

We had heard that there are 17-18 on road trucks, is that correct. You are showing 7.

Did they work 13 hours on Friday?

Thanks,

Mike

I think the time worked on yesterday's report is wrong. Also are there 7 or 17 on road trucks. There was a report from a few days ago that said 17.

Need to get this right since I send it to Smatlak. Thanks

Christine
